## **AGENDA**

1. Adoption of Minutes (Pages 1 - 6)
2. Meeting Correspondence (Pages 7 - 10)
3. Meeting with Fiona O'Shea of Local Link Transport

## **Notice of Motions**

### ***4. Motion from Councillor Felim Gurn:***

When does the council see the date that the new area office will be open in W8 complex and what services will be offered at the new office. It is important to get definite date as the tourism season is upon us in March and we want to get the North of the county to have foot fall in the year ahead with Brexit on the horizon.

**5. Motion from Councillor Felim Gurn:**

In Dromahire, at the school and crèche area, the issue of getting a car park is a major issue to facilitate parents collecting and dropping of kids in safe environment. Can the council accommodate this by acquiring land suitable for a car park.

**6. Motion from Councillor Padraig Fallon:**

I propose that an examination of Local Authority housing facilities at Aras Breffni Manorhamilton be undertaken, as there are a number of issues, complaints, arising here which I believe will require works.

**7. Motion from Councillor Padraig Fallon:**

That this Municipal explore the possibility of extending water services & supply on the Dowra road Drumkeeran.

**8. Motion from Councillor Sean McDermott:**

I ask Leitrim County Council to consider adopting Fowley's Fall, Rossinver as a twin waterfall with Glencar Waterfall, which has worldwide recognition. I believe this would encourage tourists to explore more of North Leitrim.

**9. Motion from Councillor Sean McDermott:**

I ask that road number L2219 in Glenboy be repaired where the edge on this road has sunken and broken up. This area of road is located on the Manorhamilton side of the Irwin homestead.

**10. Motion from Councillor Justin Warnock:**

What contingency plan will be in place between our Local Authority and Fermanagh and Omagh District Council for water quality issues in Lough Melvin after Brexit on the 31st of January?

**11. Motion from Councillor Frank Dolan:**

I ask that Leitrim County Council put in an underground pipe outside Doon Lodge (at the edge of lough Doon) to remove the continuous flow of surface water at this point.

**12. Motion from Councillor Frank Dolan:**

I propose that Manorhamilton MD run an advertising slot on local radio reminding people of their responsibility to cut and maintain roadside hedges, and also the period that is left for doing so.

**13. Motion from Councillor Justin Warnock:**

I ask the Senior Engineer Terry McGovern in the Roads and Infrastructure Department if design works and costings have been undertaken for the realignment of the R280 and the facilitation of a walk / cycle way between Kinlough and Bundoran? If not, I would ask to progress these works so that the project is shovel ready when a suitable funding stream becomes available.

**14. Motion from Councillor Mary Bohan:**

I propose that Leitrim Co Council provide public lighting at the amenity area on the R280 in Drumkeerin.

**15. Motion from Councillor Mary Bohan:**

What is the current position regarding the provision of street refuse bins in our towns and villages?. Some bins have been removed recently.
