Notice of Motions

5. Motion from Councillor Felim Gurn:

Since the lockdown people have been out doing more exercise by cycling and walking on our new demonstration stretch of greenway. This has highlighted the speed that cars are travelling at from the new community pitch on the R280 to St. Clares Hall, at which I know there are speed signs but drivers are not passing notice of them and are going at excessive speed coming into the town. Could rumble strips be considered to slow traffic down at this location?

6. Motion from Councillor Felim Gurn:

In the Drumlease estate in Dromahaire the residents have come together and carried out painting works in the estate during the coronavirus pandemic. The estate is looking well but this has highlighted how bad the footpaths are in this estate and they need urgent attention to get them back to suitable standard footpaths that most estates have. These footpaths need urgent repair before there are personal injury claims due to people tripping and falling on them.

7. Motion from Councillor Padraig Fallon:

I propose that this municipal writes to the Dept of Housing, Planning & Local Government again with regard to Tenant Purchase Scheme and in particular our concerns around the clause relating to income from Social Welfare.

8. Motion from Councillor Padraig Fallon:

To ask Leitrim County Council what specific targets are in place for years 2020/21 with regard to housing purchases and new builds in the Manorhamilton Municipal area.

9. Motion from Councillor Frank Dolan:

I ask in light of the effects of Covid-19 is it envisaged that the same level of grass-trimming and other such maintenance can be carried out in 2020.

10. Motion from Councillor Frank Dolan:

I ask Leitrim County Council if there are any plans to provide more family type housing in the village of Dromahaire? I believe there is need for this.

11. Motion from Councillor Sean McDermott:

I ask if signage can be provided on road L61113 which is off the regional road R281 between Kiltyclogher and Rossinver. Large numbers of people including families use this road as a walking route, it is very narrow and twisty which leaves it dangerous for everyone. Can

signage be made available to indicate walkers are on this road?

12. Motion from Councillor Sean McDermott:

I ask that repairs or replacements be carried out on the dangerous kerb edges of the footpath outside the Bank of Ireland, Manorhamilton.

13. Motion from Councillor Justin Warnock:

Can the Housing Department advise me on the protocol undertaken in vetting tenants for HAP and can individuals transfer from another form of social housing in another county to avail of HAP in Leitrim.

14. Motion from Councillor Justin Warnock:

Due to some work restrictions placed on RSS workers because of Health and Safety issues, the Tidy Town Committees now find themselves with a greater workload and more expenses in maintaining the high standards of which we are all proud of. So therefore I ask the Council to work with these groups on litter, illegal dumping and maintaining grass verges and also give financially support to help these voluntary groups.

15. Motion from Councillor Mary Bohan:

When is it expected that the road off the R280 at Gurtnacarkogue will be re-opened to the public?

16. Motion from Councillor Mary Bohan:

Small street bins in our towns and villages are being used regularly for household waste also at amenity areas. These often overflow and cause serious litter problems. I am proposing that the openings on these bins be made smaller so as to avoid bags of rubbish being put in the bins.
