I ask if the programme of upgrading public lighting will continue, as it has improved the lighting in many of our towns and villages.

5. Motion from Councillor Sean McDermott

I am asking Leitrim County Council to continue ongoing discussions on broadband connection points around the county. This issue is very relevant at the moment with increased usage as more people are work from home. There are many community facilities in North Leitrim where people could work from if the broadband was improved.

6. Motion from Councillor Padraig Fallon:

I propose that manhole / service covers in front of dwellings 29 - 32 Sheena Drumkeeran be replaced as required.

7. Motion from Councillor Padraig Fallon:

I propose that a lane be marked on the N16 for turning off on to L4141 Glencar, similar to what exists at L4142 turn off for church. This has been raised with me by a number of locals.

8. Motion from Councillor Felim Gurn:

The access road to Cloonlogher graveyard has not been resurfaced in last 20-30 years and is in poor condition for relatives visiting the graveyard. Can it be included in the next road programme.

9. Motion from Councillor Felim Gurn:

Due to the recent dry spell of weather, the N16 from Shanvaus to the Shrine has suddenly deteriorated with major potholes developing. These potholes are causing damage to cars going from Manorhamilton to Sligo. Can this road be repaired as soon as possible?

10. Motion from Councillor Justin Warnock:

I ask Leitrim County Council to write to the Minister for Culture, Heritage and the Gaeltacht Josepha Madigan TD to seek funding for a feasibility study for RSES Regional Policy Objective 5.3 for the development of North Leitrim as a National Park.

11. Motion from Councillor Justin Warnock

I ask Leitrim County Council to contact the developer of Lough Melvin Forest Park to have the right of way through this development reopened which has been closed to the people of Kinlough for the past 15 years.

12. Motion from Councillor Mary Bohan:

How many L.I.S schemes are on the current list in the Manorhamilton Municipal District and how many will commence this year?

13. Motion from Councillor Mary Bohan

What is the current position regarding the Councils actions in relation to the Abbey Hotel building in Dromahair, and what recent contact has been made with the owners?

14. Motion from Councillor Frank Dolan

Can some repairs be carried out on a short stretch of the Barnes road near Dromahaire where it has become very bumpy. Road no L-4157 from Dromahaire.

15. Motion from Councillor Frank Dolan

When a housing estate is taken in charge by the Council who is responsible for the maintenance of the green area in the estate? There seems to be some confusion amongst the residents of Mill Hill Lawns as to who is responsible.
