AGENDA

1. Minutes of Carrick on Shannon Municipal District online information meeting held on 11th May 2020 for noting and subject to formal approval at the statutory meeting. (Pages 1 - 14)
2. To receive update from Mr Joseph Gilhooly, Deputy Chief Executive & Director of Economic Development, Planning & Infrastructural Services in relation to the current situation regarding the COVID 19 National Emergency.

Notice of Motions

3. Motion from Councillor Des Guckian:

That warning signs be placed in advance of the pedestrian crossing, on the L1601, at Rooskey, stating that there is a steep-sided ramp ahead. I also want a survey done of all such pedestrian crossings, with ramps, in the Carrick Municipal area with the intention of placing warning signs at all of these as well.

4. Motion from Councillor Des Guckian

That the Council property at each side of Faulties road Bridge, over the MGWR railway, be cleaned up, drained, tidied and re-surfaced . Also that the rubbish that is accumulating there be taken away and disposed of. Piles of Council waste in this area are generally unsightly and possibly dangerous too.

5. Motion from Councillor Sean McGowan

At the June Meeting of Carrick on Shannon Municipal District, I will seek the support of members in calling on Bank of Ireland to immediately reopen their branches in Mohill.

6. Motion from Councillor Sean McGowan

At the June Meeting of Carrick on Shannon Municipal District I will ask Mr Joseph Gilhooly, Director of Services Infrastructure to contact Irish Water as a matter of urgency with regard replacing the Trunk Water Main between Gortfadda Cross towards Satrissaun Gortvagh on the R 202 distance approx. 5 km. This section of pipe has had numerous bursts over the past year, with upwards of 20 in the last couple of months in Gortfadda alone, this is causing considerable disruption and annoyance to homeowners and business alike and is leaving the road in a very dangerous condition.

7. Motion from Councillor Thomas Mulligan:

That we include in our works programme the resurfacing of "The Greene Lane" Mohill in our next works programme. This opens onto Main Street in the centre of the town and is regarded as essential improvement works by Mohill Community Network.

8. Motion from Councillor Thomas Mulligan:

Following on a motion to a previous meeting of the Carrick On Shannon Municipal District when I asked that we contact Coilte to request Repairs be carried out to the stone pier at the Gortlettra entrance to Lough Rinn and the replacement of a wooden gate and gateposts along the avenue at the entrance to Hall Clements house. Have we received any response.

9. Motion from Councillor Enda Stenson:

A Caravan has been abandoned at Eslin Community Centre for past month, how can this be removed?

10. Motion from Councillor Enda Stenson:

May I ask have we made progress on getting Coach parking facilities in Carrick?

11. Motion from Councillor Paddy Farrell:

Is there any plans to improve the main road from St Patricks Park to Lisanga, as siding is in very poor condition.

12. Motion from Councillor Paddy Farrell

R7432 Cornagulla - Drumnadubber Road. The sides/edges of this road have been left very open as forestry has been removed. Since the forestry has been cut away the road has been left very dangerous for motorists and pedestrians.

13. Motion from Councillor Finola Armstrong McGuire

Can I ask If the Current Clár programme can be applied to for funding of footpath and boundary wall where needed from Attyrory Estates Rosebank area to Dublin road where we have requested improvement in pedestrian access.

14. Motion from Councillor Finola Armstrong McGuire

With recent Clár funding announced for Outdoor Recreation Infrastructure Scheme. Will the New Sports Campus planned for this Region fit the outline of projects that should apply?
