AGENDA

1. Minutes of previous meetings for noting. (Pages 1 - 10)

Ballinamore Municipal District meetings held on 25th May 2020 and 2nd June 2020, subject to formal approval at the statutory meeting at a later date.

2. To receive update from Mr Vincent Dwyer, Director of Services, in relation to the current situation regarding the COVID 19 National Emergency.

Notice of Motions

3. Motion from Councillor Enda McGloin:

I call on Leitrim County Council to consider repairing the L8299-2 road from Aughrim town land to Tullynaha/Tullyveacan as this road is currently in a very poor state.

4. Motion from Councillor Enda McGloin:

I call on Leitrim County Council to engage with Cavan County Council to allow the road sweeper cross the bridge and cover the Leitrim side of Dowra village and arrange some monetary agreement for this service.

5. Motion from Councillor Ita Reynolds Flynn:

I wish to raise concerns about the junction at Main Street, Ballinamore beside the Supervalu Store and the Aughnasheelin Road. There has been a number of accidents at this junction and quite a serious accident occurred last Tuesday. Gardai filed a report and an individual was sent to hospital. Ballinamore Fire brigade were also on the scene. I would request that this junction be accessed by the Council for safety as soon as possible.

6. Motion from Councillor Ita Reynolds Flynn:

I wish to request that the zebra crossing opposite Ballinamore Community Hospital be remarked as the exiting markings on the crossing are very faded and one of the lights is not working.

7. Motion from Councillor Paddy O'Rourke:

I wish to ask what is the Irish Water Policy on repairs to the water network i.e. the acceptable turnaround time from when a leak is reported, to when it is repaired. During the hot weather in the end of May, a period of peak demand, we had a number of leaks which were left unattended for up to 5 days. Is it, as I suspect that the weakness in this entire system is at Irish Water's centralised system of administration rather than at Local Authority level?

8. Motion from Councillor Paddy O'Rourke:

I ask what plans does Leitrim County Council have regarding the cutting of roadside vegetation at junctions and dangerous corners this summer? Many of these are greatly overgrown especially since the break in the weather which has seen a period of vigorous growth.

9. Motion from Councillor Brendan Barry:

I request that Leitrim County Council carry out resurfacing works on the L4297 in the townland of Slievenakilla close to the junction with L8299-2.

10. Motion from Councillor Brendan Barry:

I request that Leitrim County Council pipe a short piece of watertable which was recently cleaned along a dangerous bend prior to resurfacing works in the townland of Mullaghsallagh, Kilclare. These small works could make this corner much safer.

11. Motion from Councillor Caillian Ellis:

I propose that Leitrim County Council extend the footpaths from Keshcarrigan Village out to the Fr. Michael Judge Amenity Area at Keshcarrigan lake.

12. Motion from Councillor Caillian Ellis:

I propose that Leitrim County Council clean the roads signs in the Ballinamore Municipal area, as some are very dirty.

13. Motion from Councillor Gerry Dolan:

I call on Leitrim County Council to resurface the hilly road Drumshanbo as there has been many repair works done over the last few years and has left the road in need of full resurfacing.

14. Motion from Councillor Gerry Dolan:

I call on Leitrim Council to have the Greaghaguillaun back road chipped and tarred between the sections that are currently being black topped at the minute until it can be completed in black top at a later stage.
