Notice of Motions

5. Motion from Councillor Felim Gurn:

The new demonstration stretch of SLNCR from Ramooney to over the railway bridge on the old R280 and onto Boggaun Community Pitch will be a great asset to the town with an emphasis on cycling/walking as means of physical exercise.

Can the council look into putting down the ducting for future lighting of the walkway to the bridge on this new section. This is going to be a major asset with people walking back and forth from St Clare's Hall to the bridge.

6. Motion from Councillor Felim Gurn:

There was an issue of cars coming to standstill and sliding on the brae last Monday week because of the heavy snowfall which fell over a period of 1 hour. There need to be a great emphasis on trying to come up with solution for the brae from Commons entrance and old Church Street (locally known as Monkey Row) for cars that could not get a grip and sliding up and down the brae. If the Council is doing works on it can a solution for grip on the surface of the road be provided.

7. Motion from Councillor Pdraig Fallon:

I propose that this Municipal write to the Dept of Finance, Bank of Ireland and AIB urging that the proposed sale of ATMs by the aforementioned banks does not proceed.

8. Motion from Councillor Pdraig Fallon:

I propose that signage be erected on the back line Dromahair asking drivers to drive carefully due to limited view and of crest on road at recycling facilities.

9. Motion from Councillor Justin Warnock:

In a County which is leading the way in Slow Adventure Tourism and North Leitrim being an area of Outstanding Natural Beauty, which has over 1000 km of a good standard local road network, through some of the most breath taking scenery in Ireland, I ask that Leitrim's Tourism officers facilitate a workshop with Marie Mulligan the Area Senior Engineer and her staff and the elected members on mapping walking and cycling holiday routes across this Municipal District.

10. Motion from Councillor Justin Warnock:

I ask Water Services to engage with Irish Water and seek funding to complete the final section of water mains along the R281 between Breffini Pier and the Church in Rossinver.

11. Motion from Councillor Frank Dolan:

I ask that Leitrim Co Co contact the Court Service in relation to the court house in

Manorhamilton. It's a shame to see such a historic building standing idle and going into dereliction. As Manorhamilton has now been granted funding under the regeneration scheme would the Court Service consider bringing this building into use as a Heritage Centre or other such public amenity.

12. Motion from Councillor Mary Bohan

I propose that Leitrim Co Council seek funding for the Annagherra Bridge in Drumkeerin as a matter of urgency.

13. Motion from Councillor Mary Bohan:

I propose that repairs/resurfacing be carried out on Road no L4232 Fenagh/Corratavey, Killargue as soon as possible.

14. Motion from Councillor Sean McDermott:

I ask if an old steel sewer vent pipe can be removed from the village in Kiltyclogher. This pipe is located near the library and is very unsightly.

15. Motion from Councillor Sean McDermott:

Can the Council check out the bottle bank at the Fair Green in Kiltyclogher. The containers are located close to a wall that leads on to a flat roof, this is a safety hazard, should anyone go on to this roof.
