AGENDA

 - Ballinamore Municipal District Meeting held on Monday 22nd June, 2020
 - Ballinamore Municipal District Meeting held on Friday 26th June, 2020
2. To receive an update from Mr. Vincent Dwyer, Head of Finance, Water, Environment, Climate Action & Emergency Services in relation to the current situation regarding the Covid 19 National Emergency

Notice of Motions

3. Motion from Councillor Enda McGloin:

Some great work has been carried out around Drumshanbo by the very active Tidy Towns Committee in recent weeks. What would compliment this work would be the painting of the town Library which urgently needs to be painted. Can I get a commitment from Leitrim County Council to paint the building before September?

4. Motion from Councillor Enda McGloin:

I propose for new markings and further signage to be installed to identify the Mart Link Road as a one way system. Numerous incidents of motorists driving up the wrong way from Laird House direction towards the Gala store have occurred. An accident will happen at this location unless action is taken.

5. Motion from Councillor Paddy O'Rourke:

I ask that Leitrim County Council extend the public lighting at St. Mary's Church, Carrigallen, to provide lighting along the route to the graveyard carpark. Recent improvements in that area, has seen an increase in visitors to the cemetery which necessitates the need for additional lighting to be provided for pedestrian safety.

6. Motion from Councillor Paddy O'Rourke:

I ask that Leitrim County Council take action to deal with the blocked underground culvert (adjacent to Doyle's property) on Road Number L1589 in Gortermone. This work was promised some time back and the recent downpours have caused major flooding issues.

7. Motion from Councillor Caillian Ellis:

I propose that Leitrim County Council reline the junctions in Ballinamore town and Fenagh Village.

8. Motion from Councillor Caillian Ellis:

I propose that Leitrim County Council fix the footpath and the railing on the Ballinamore Road out of Cloone Village.

9. Motion from Councillor Ita Reynolds Flynn:

I am calling on the Local Authority to provide an update on an application made by Ballinamore Childcare with regard to funding awarded to the community from the Department of Justice. It is my understanding that the funding is in the region of €45,000 to €50,000.

10. Motion from Councillor Ita Reynolds Flynn:

I am calling on the support of Ballinamore Municipal District members to contact the Minister for Climate Action, Communication, Networks and Transport, Mr. Eamon Ryan to retract recent comments made by him in relation to a new broadband connection charge to those living in rural Ireland. Recent reports suggest that the Minister is encouraging, that a charge be imposed on those building new houses in rural Ireland of up to €5,000 for a connection to the National Broadband Plan. I feel this charge is unfair and is discriminating against those who wish to live rurally e.g. in the county of Leitrim.

11. Motion from Councillor Brendan Barry:

I request that Leitrim County Council carry out works to reduce traffic speed in Keshcarrigan and install 30km speed limit in Ceis Lawns Estate, Keshcarrigan.

12. Motion from Councillor Brendan Barry:

I request that Leitrim County Council meet with the Selton Hill Commemoration Committee and work to secure funding to upgrade the monument at Selton Hill in advance of the 100th anniversary in March 2021.

13. Motion from Councillor Gerry Dolan:

I call on Leitrim County Council to have works carried out to stop the flooding of the lower Annagh Road towards Dowra and also local farm lands in conjunction with the ESB.

14. Motion from Councillor Gerry Dolan:

I call on Leitrim County Council to have a footpath put in place from Ballinamore out to Knockaroe in conjunction with the plaque being proposed to be erected there.
