### **Notice of Motions**

#### ***7. Motion from Councillor Sean McDermott:***

I ask if the council will address the safety issues on local road L6184 where it connects in the townland of Cherrybrook, Manorhamilton with the N16? The layout at this busy junction is inadequate and its extremely dangerous. It is an accident in the waiting

#### ***8. Motion from Councillor Sean McDermott:***

I ask Leitrim County Council could they cut the hedges on regional roads?

#### ***9. Motion from Councillor Padraig Fallon:***

I again, for the third time, propose the taking in charge of Magheramore road, Glenade.

#### ***10. Motion from Councillor Padraig Fallon:***

I again propose that the lighting issue at the back lane, Breffni Court / Lugmeen Drumkeeran be revisited. Lighting is required here immediately. This is a public thoroughfare which needs lighting.

#### ***11. Motion from Councillor Felim Gurn:***

The streets of Manorhamilton have over the summer months become covered with weeds growing up through the pavement and the sides of buildings. Is there any solution to getting rid of the weeds without using weed killers containing glyphosate?

#### ***12. Motion from Councillor Felim Gurn:***

The courthouse entrance and wall is currently looking dilapidated has a significant part to play in the history of Manorhamilton. Can there be repair works carried out to rectify this issue as soon as possible?

#### ***13. Motion from Councillor Justin Warnock***

I ask the Senior Roads Engineer Mr. Terry McGovern what traffic calming measures are being considered, from speed data collected over the course of many months last year, on the R280 in Kinlough near the Water Treatment Plant and Oakfield Manor Estate and when will these will be delivered?

**14. *Motion from Councillor Justin Warnock***

As a result of job losses and associated financial problems caused by the economic crash due to Covid - 19, unfortunately more and more people are going on the housing list. With the demand outstripping the supply of Local Authority houses in the Kinlough and Tullaghan areas, including those purchased this year, I ask the Council to purchase more houses and acquire lands in these areas in 2021 for a building programme to avert a serious housing crisis developing in the coming years.

**15. *Motion from Councillor Mary Bohan***

I propose that Leitrim County Council carry out repairs to road no L8255 connecting R287 to L4252 as soon as possible.

**16. *Motion from Councillor Mary Bohan***

I propose that the Council consider the provision of further traffic calming measures at Killenumery N.S.

**17. *Motion from Councillor Frank Dolan:***

I propose that Leitrim County Council contact the court service in relation to the courthouse in Manorhamilton.
