Notice of Motions

5. Motion from Councillor Felim Gurn:

The Cloonaquinn and Cloonlougher road has subsided, and the road surface is badly in need

of resurfacing due to recent flooding by the river Bonet. Can maintenance be carried out on this road as a matter of urgency?

6. Motion from Councillor Felim Gurn:

The Manorhamilton town CCTV system has been instrumental in detecting crimes from Sligo to Enniskillen and from Carrick on Shannon to Bundoran and it has played a vital part in helping to resolve crimes for the Gardaí. Some of the cameras are in need of an upgrade as technology has improved since the system was installed over 12 years ago. There was never a fund put in place by the Department of Justice for upgrading existing CCTV systems in towns. Can some funding be put in place to facilitate the upgrade of the existing system in Manorhamilton?

7. Motion from Councillor Frank Dolan:

As a matter of Health and Safety, I ask that hedge cutting is carried out on the R286 on the stretch from the junction with R278 at Moragh, and also on the Barnes road going into Dromahaire.

8. Motion from Councillor Frank Dolan:

I propose that Leitrim County Council, in the development of the recently acquired site in Dromahaire village, incorporate a work from home style hub at this location. I think this is a great opportunity to provide such a facility.

9. Motion from Councillor Justin Warnock:

I ask the Director of Services for Economic Development and Planning Mr. Joseph Gilhooly to contact his counterpart in Donegal and in collaboration, establish a working group in the Rural Economic Development Zone 111 (REDZ) which includes Bundoran, Tullaghan, Kinlough and their environs, to develop a shovel ready project for future funding which would benefit the economic and social fabric of our communities.

10. Motion from Councillor Justin Warnock:

In preparation of the new County Development Plan 2022 - 2028, when considering North Leitrim as a potential National Park, I ask our CEO Mr. Lar Power and the Senior Planner Mr. Bernard Greene to include all of Lough Allen, Sliabh an Iarainn, Ballinaglera, Dowra and environs within the confines of any proposed National Park.

11. Motion from Councillor Sean McDermott:

I ask if monies can be sourced to make safe a bridge on road number L2208 which is located off the former N16 road at Cullentragh, Glenfarne. The sidewalls of this bridge have been damaged for several years. Only recently, Council staff had to replace the temporary safety wooden frame located here. I am asking the Council if they can do a permanent fix on this bridge?

12. Motion from Councillor Sean McDermott:

I ask if the green bollards with white stripes that are positioned at the end of local roads that exit on to and off the N16 can be replaced. One of these bollards has been damaged for quite some time at L2200 at the Big Bog, Glenfarne. The present bollards used are not high enough for road users because when grass and vegetation grows over these bollards they are no longer visible and can be easily damaged.

13. Motion from Councillor Pdraig Fallon:

I propose that resurfacing works take place at the Local Authority Estate, Hillside View Killargue.

14. Motion from Councillor Pdraig Fallon:

I ask Leitrim County Council, Housing and Roads Department, what progress has been made to ensure the removal of trees hampering the view exiting Radharc an Tseipeail, Drumkeeran.

15. Motion from Councillor Mary Bohan:

I propose that a Hub be provided in the new proposed Library building in Dromahair. The provision of same would enable people to work remotely from their own locality.

16. Motion from Councillor Mary Bohan:

I propose that road works be carried out on the Lisanerris/Greaghmaglough road as soon as possible.
