### AGENDA

1. Adoption of Minutes (Pages 1 - 4)  
Manorhamilton Municipal District Meeting of 30<sup>th</sup> November 2020.
2. Meeting Correspondence

### Notice of Motions

**3. Motion from Councillor Sean McDermott:**

When will the work under the Minor Flood Scheme commence on the Glenaniff River?

**4. Motion from Councillor Sean McDermott:**

I ask for the Japanese Knotwood that is growing at the new graveyard in Rossinver to be

treated.

**5. Motion from Councillor Pdraig Fallon:**

I ask Leitrim County Council what if any correspondence has been received from central Government with regard to Brexit and its impacts, implications, commitments, expectations from us as a Local Authority or Municipal District.

**6. Motion from Councillor Pdraig Fallon:**

That this Municipal District examine the possibility of the installation of outdoor recreational equipment at sites throughout North Leitrim.

**7. Motion from Councillor Justin Warnock:**

With the rollout of the New LocalLink bus services across North Leitrim early in the New Year, I ask Marie Mulligan the Senior Engineer for this Municipal Area to seek funding to develop or widen, where possible, pull in bays on the narrow sections of our Regional roads to facilitate the safe delivery of this new service.

**8. Motion from Councillor Justin Warnock**

With Brexit only weeks away and to acknowledge the many friendships and relationships which have been formed over the past 22 years between the border communities of Garrison and Cashel in Fermanagh with those of Askill, Rossinver and Kiltyclogher in Leitrim, I ask that the Manorhamilton MD send a Christmas cards to the Garrison Community Group and to the Cashel Community Association to show our commitment to them in the years ahead.

**9. Motion from Councillor Felim Gurn:**

Manorhamilton is one of the only towns in Leitrim that does not have a river walk. Can the Council look at the possibility of creating a river walk from Hamilton's Castle down to the Courthouse area within the town and investigate possible funding streams to progress such a project.

**10. Motion from Councillor Felim Gurn:**

Dromahair is a village that has increased in population dramatically in the last 15 years and yet does have a Community Centre. Can the council consider the Garda barracks as a potential source to provide a Community Centre in the future?

**11. Motion from Councillor Mary Bohan**

I propose that the Council examine the possibility of providing traffic calming measures on the Dowra Road on the approach to Drumkeeran village.

**12. Motion from Councillor Mary Bohan**

I propose that the Council contact the Minister for Agriculture again in relation to a compensation package for farmers affected by the Dawn of Hope landslide.
