Notice of Motions

4. Motion from Councillor Enda McGloin:

I call on Leitrim County Council's Heritage Officer to consider an application to revamp and repair Drumshanbo's historic 'High Street' under the recently announced Historic Structures Fund. The primary focus of this fund is conservation and enhancement of historic structures and buildings for the broader benefit of communities and the public to enable larger scale conservation works to be carried out on heritage structures which are deemed to be significant and in need of urgent support. I feel this project adequately fits the criteria under the scheme and is deserving of consideration.

5. Motion from Councillor Enda McGloin:

I ask that the Council's Road Design Office considers a new layout with pedestrian crossings at the Mayflower Roundabout, Drumshanbo. An application to the Department of Transport under School Safety Measures could be considered to connect the school with the nearby basketball courts and to the town to ensure student and pedestrian safety.

6. Motion from Councillor Caillian Ellis:

I propose that Leitrim County Council put in place a safety barrier each side of Road L1567 at Keeldra Cross, Co. Leitrim.

7. Motion from Councillor Caillian Ellis:

I will ask Leitrim County Council when they intend to take in charge the Ring Road that goes past Tesco in Ballinamore, Co. Leitrim.

8. Motion from Councillor Brendan Barry:

I request that Leitrim County Council include the resurfacing of L14871-0 in the townlands of Longstone and Mough near Ballinamore in the Road Works Programme for 2021.

9. Motion from Councillor Brendan Barry:

I request that Leitrim County council erect a 'Welcome to Drumshanbo' sign on the R208, Ballinamore road, similar to signs and stone work on other approach roads to the town.

10. Motion from Councillor Paddy O'Rourke:

I ask that this Municipal District ask all utility providers e.g. Eir, ESB etc who are currently replacing roadside poles to liaise with our District Engineers Office before placing poles back in the same locations. Many were traffic hazards sited in the middle of set backs which have been created in front of new houses. With a little imagination and flexibility we could get this right this time, bearing in mind traffic volumes have greatly increased since the first poles were placed on our rural roads.

11. Motion from Councillor Paddy O'Rourke:

There is a depression in the road along the R204 in the townland of Aughoo East beside the Drumdiffer Road Junction, which left unaided will become dangerous. I ask that the Council carry out the necessary repairs.

12. Motion from Councillor Ita Reynolds Flynn:

I wish to request that the Council improve the road at Derrinver (R202/42) at the Leitrim/Cavan border.

13. Motion from Councillor Ita Reynolds Flynn:

Can I request an update on the provision of safety works at the Junction in Ballinamore on the Main Street (opposite Supevalu).

14. Motion from Councillor Gerry Dolan:

I call on Leitrim County Council to have signs erected at both ends of the high street, Drumshanbo. Stating no through road and for resident and deliveries only.

15. Motion from Councillor Gerry Dolan:

I call on Leitrim County Council to have Road No: L1512-1 leading onto road L55151-0 @ Aloon, Gortvagh, re-surfaced as its being damaged by the extraction of timber from forestry.
