## Notice of Motions

### **5. Motion from Councillor Des Guckian:**

That in light of COVID with its sudden deaths, Leitrim Co Council sharpens up its reaction to the need for emergency plots for the dead. People in the catchment of Carrick-on-Shannon and other Council operated cemeteries in this Municipal area, worried by the situations arising, have been enquiring about getting new plots. They have been met with obfuscation. I wish to ask engineer Darragh O'Boyle, as the person in charge, if he will now give an undertaking to each bereaved family that a new burial plot can and will be made available, at a standard modest charge, within an hour's notice.

### **6. Motion from Councillor Des Guckian:**

That Leitrim Co Council actively invests in Mohill, which is a town in decline. The Council has decided not to go ahead with its new extension to its offices in Carrick. When this was first proposed, the Council offices, in Mohill were closed and staff transferred to Carrick. It would be a big boost to the economy of Mohill and a morale booster also, if Council sub-offices were to be developed in Mohill for engineering, housing, heritage etc.

### **7. Motion from Councillor Enda Stenson:**

Are there direct guidelines laid down when it comes to a request or granting of a transfer from one Local Authority house to other?

### **8. Motion from Councillor Enda Stenson:**

We have on various occasions discussed the possibility of a walkway between the villages of Drumsna and Jamestown. While I realise and know this is Roscommon ground, has any progress been made on discussions with Roscommon relating to this issue?

### **9. Motion from Councillor Sean McGowan:**

I ask Mr Joseph Gilhooly, Director of Services, Economic Development, Planning & Infrastructure to examine the potential of applying for funding from the National Transport Authority under the heading of "Active Travel Fund" for the Shannonside villages of Rooskey, Dromod, Drumsna & Jamestown. Works to include upgrade public lighting, the provision of new footpaths, provision of tabletops to slow the traffic down & other infrastructural works to enhance the villages.

### **10. Motion from Councillor Sean McGowan:**

I ask Housing Engineer Jonathan Mulhern, what plans are in place to secure or replace the cast iron gutters on several of the properties in Hyde terrace Mohill? The residents are concerned that the gutters, some of which are loose, could fall and cause serious injury to the homeowners or members of the public.

**11. Motion from Councillor Paddy Farrell**

I call on Leitrim County Council, when preparing the winter gritting plan for next term, to include the road from Letterfine R209 via Keshcarrigan to Mohill L3051-2 as this is a very dangerous stretch of road.

**12. Motion from Councillor Paddy Farrell**

I would like Leitrim County Council to explain to business people and residents why work in the town has stopped on the street of Carrick-on-Shannon. Some believe that similar works are ongoing in other areas despite current lockdown.

**13. Motion from Councillor Thomas Mulligan:**

I ask that that surface dressing be carried out on road number L- 5550 in the townland of Aughadrumderg to Hill Street on the Cloone side of Mohill town.

**14. Motion from Councillor Thomas Mulligan:**

I ask that repairs to the southern end of road no. L-3480-0 in the townlands of Corriscoffey and Esker, including the provision of "pull-ins bays", be carried out.

**15. Motion from Councillor Finola Armstrong McGuire;**

Planning permissions are all subject to a time limit and many have extensions granted. In the light of the close down of the construction industry and many projects associated with it, what further extensions are being allowed to those who have gotten planning permission but for reasons associated with the pandemic are not in a position to commence works.

**16. Motion from Councillor Finola Armstrong McGuire**

What is the current status of the process to develop a continuous walkway from Carrick-on-Shannon to Leitrim village?
