Notice of Motions

6. Motion from Councillor Des Guckian:

That we urge the government to give special grants to publicans and to restaurant owners to help them get their businesses up and running again. This is especially important for publicans in very rural areas, such as in the Carrick Electoral Area, as the pub has always been a key social centre and some publicans have indicated that, without a grant, they will not be reopening.

7. Motion from Councillor Des Guckian:

That, in light of the recent tragic death of a young homeless man inside the Costello Memorial Chapel, Carrick-on-Shannon, we urge Leitrim County Council Housing Department to do a survey of the number of homeless youths in the Carrick Electoral Area and to cater appropriately for them.

8. Motion from Councillor Enda Stenson:

It is great news for tourism in the area with Roscommon County Council having secured funding for a walkway joining the villages of Drumsna and Jamestown. May I ask, that to further enhance the area, that we apply for grand aid to re surface the road from Belmont to Drumsna bridge.

9. Motion from Councillor Enda Stenson:

May I say how delighted I, and most others, are with the funding secured for Mohill public realm works. Very welcome news indeed.

I really believe, to properly enhance Mohill, we need funding immediately secured to connect the town with the international rowing facility at Lough Rynn. A proper, fully lit up, walkway is essential here, and we must secure funding to put this in place.

10. Motion from Councillor Finola Armstrong McGuire:

Roadside drainage on Leitrim Road out of Carrick near Liscara entrance is open and / or poorly fenced. Drains vary from shallow to deep and the area is heavily populated with small children. I ask that attention is given to roadside drainage in the area of Liscara entrance as a matter of priority.

11. Motion from Councillor Finola Armstrong McGuire:

Households in many urban estates benefit from residents associations being formed. How many houses in Oaklands and Oaklands Manor combined are owned by Leitrim County

Council? As landlord of a number of houses in an estate, how can Leitrim County Council contribute to encourage the engagement of residents with residents associations? Is this being done in Oaklands area? If not can it be led by Leitrim County Council under some of the schemes or partnerships already in place?

12. Motion from Councillor Sean McGowan:

I seek the support of the members of Carrick on Shannon Municipal District in calling on Mr. Joseph Gilhooly, Director of Services Economic Development, Planning & Infrastructure, to have the old factory & stores at Corrascoffly Dromod declared dangerous and that he takes immediate steps to have all the buildings there demolished.

13. Motion from Councillor Sean McGowan:

I ask Mr Darragh O'Boyle, South Leitrim District Engineer, to have a look to see if the hedge could be removed and replaced with a timber post & rail fence at the junction of the Rosmore road No. L-5641-1 leading onto the Farnaught- Drumlish Road No. L1055-2 at Beihy bridge. There is a very limited view back towards Beihy and it's extremely dangerous for motorists exiting from the Rosmore road and heading towards Drumlish.

14. Motion from Councillor Paddy Farrell

Is there anything the Council can do to alleviate the traffic congestion during morning drop-offs and evening pick-ups at the community school in Carrick on Shannon.

15. Motion from Councillor Paddy Farrell

There are two crossings on the Blueway between Keonbrook and Kilclare (R-209-4) which are met with speeding vehicles resulting in very dangerous conditions for pedestrians who are walking this very popular route. There is no signage in place to warn oncoming traffic that there are pedestrians crossing. Additionally, there is a carpark off one of the crossings (at lough 13), which has become very popular, and upon exiting this car park there is very poor visibility for drivers getting out onto the main road.
