3. Presentation form Local Link Transport

Notice of Motions

4. Motion from Councillor Des Guckian:

That with reference to Rosebank Cove Estate, and other unfinished estates still waiting to be taken in charge, in the Carrick Municipal area, can the County Council give any explanation as to why certain developers have not been obliged to have an insurance Bond in place to cover the cost of finishing off the estate, thereby allowing it to be taken in charge. What will

now happen to Rosebank Cove and to the others?

5. Motion from Councillor Des Guckian:

That we Councillors condemn the cutting off of one of the finest views in Ireland, along the N4, above and below The Top O' The Hill, at Aughamore, by the Council planting very tall trees close to the N4, at the time the road was widened there. These trees now pose dangers and should be removed by the Council.

6. Motion from Councillor Finola Armstrong McGuire:

I ask that Leitrim County Council and ARUP Consulting extend the date of the public consultation period on the Carrick Dromod by pass by 4 weeks from June 16th 2021 to July 14th 2021.

7. Motion from Councillor Finola Armstrong McGuire:

Can the Executive outline to the members, the extent of the engagement thus far of Leitrim County Council with ARUP Consulting on the proposed Carrick Dromod by pass. The knowledge that past engagements, in years prior to 2020, on this project have been put aside has come as a shock to all concerned for many reasons.

8. Motion from Councillor Sean McGowan:

I seek the support of members in calling on the TII and ARUP Consultants to extend the public consultation on the proposed Carrick on Shannon - Dromod Road scheme for a further month from the 16th of June to allow for the homeowners/landowners & other interested parties adequate time to consider all the options being proposed and thereby enable the making of submissions in a well-informed manner.

9. Motion from Councillor Sean McGowan:

I seek the support of members in calling on the Acting Minister Heather Humphries and the Dept. of Justice to increase the grant assistance for community led CCTV schemes to 90% of the cost of the scheme or to a maximum of €100,000. At present the maximum grant available is 60% up to a maximum of €40,000. The community in Mohill are anxious to get a CCTV scheme for the town. They have a committee working on it presently and if funding is increased, it would give communities, such as Mohill, a greater chance of putting a scheme in place.

10. Motion from Councillor Paddy Farrell

I ask Leitrim County Council to resolve some issues at Lisnagot, Kingston Terrace and Breffni Heights. I ask Leitrim County Council to erect a Cul-de-sac sign at the junction between these two estates. I ask Leitrim County Council to address the condition of the road between Number 8 Kingston Terrace & Breffni Heights as it needs attention. Water lodges

on this stretch of road, therefore water channels need to be installed.

11. Motion from Councillor Paddy Farrell

When are the Council going to start trimming at junctions and on dangerous roads in the Carrick-on-Shannon Electoral area? There has been a lot of growth in the last number of weeks adding to the danger on these roads.

12. Motion from Councillor Thomas Mulligan

I propose that the public consultation period be extended for the Dromod to Carrick on Shannon by pass.

13. Motion from Councillor Thomas Mulligan

That Leitrim County Council apply for permission to rebuild the stone pier at the entrance to the church at Lower Main Street Mohill.

14. Motion from Councillor Enda Stenson:

I've met with a lot of people regarding the Carrick bypass over the past few weeks and I've yet to meet someone who agrees with the selected corridors we were presented with. May I ask, do our roads engineers within the county think we have other options open to us?

15. Motion from Councillor Enda Stenson:

May I get an update on where we are regarding the upgrade of street and paths in Mohill?
