2. Meeting Correspondence

### Notice of Motions

#### ***3. Motion from Councillor Des Guckian***

That, in the interests of safety and in light of recent incidents, we bring in a by-law banning all jet-skis and speed boats on the River Shannon. That this motion be forwarded to Roscommon County

Council, Boyle Municipal District and the National Parks & Wildlife Services seeking their support.

**4. Motion from Councillor Des Guckian**

That a survey be done of all road junctions in the Carrick Municipal area, checking out the deposits of loose grit that are building up at many of them. These deposits of loose grit are capable of causing accidents when vehicles skid on them and they go flying out on to the larger road.

**5. Motion from Councillor Sean McGowan:**

I seek the support of members in calling on the HSE Manager for Sligo/Leitrim/West Cavan Mr. Damien McCallion to attend the September meeting of Carrick on Shannon Municipal District to explain the rationale about the withdrawal of day care services in Mohill Community Hospital & how the NowDoc operates in Leitrim.

**6. Motion from Councillor Sean McGowan:**

I ask Mr Joseph Gilhooly Director of Services Infrastructure, to give an update on the application by a number of the residents to have the Lock Estate in Rooskey taken in charge? There is no public lighting in the estate and it is extremely dark for the residents who live there.

**7. Motion from Councillor Finola Armstrong McGuire:**

May I have an update as to when new signage will be installed on Main Street guiding pedestrians to and from the new car park.

**8. Motion from Councillor Finola Armstrong McGuire**

May I ask that road markings on the road (Yet to be named) from the Court house to the car park and medical centre are put in place so as to avoid possible collisions.

**9. Motion from Councillor Paddy Farrell**

I call on Leitrim County Council and Irish Water to investigate and explain why there is such a bad odour and smell coming from sewerage plant in Leitrim Village and what can they do to sort this problem as soon as possible.

**10. Motion from Councillor Paddy Farrell**

I call on Leitrim County Council and District Engineer Darragh O Boyle to seek funding to improve the dangerous bend at Liskea, Drumsna, known in the area as the very dangerous Lisduff Bend. There have been several incidents here over the years.

**11. Motion from Councillor Thomas Mulligan:**

That we call on the HSE to meet with the Councillors from the Carrick On Shannon area to outline their plans with regard to Day Services in Mohill.

**12. Motion from Councillor Thomas Mulligan:**

That we ask for a meeting with a representative of the HSE to discuss what work can be done to improve the appearance of Arus Carolan when viewed from Bridge Street Mohill

**13. Motion from Councillor Enda Stenson:**

May I ask Darragh OBoyle, am I correct in thinking that during discussions at a meeting in Mohill Graveyard regarding the paths etc that it was agreed that a contractor would lay a water line from the new cemetery down to first entrance opposite National School. This work has not done.

**14. Motion from Councillor Enda Stenson:**

May I ask have we received full agreement to complete the greenway to Sheemore, and to include a car park at this location.
