### Notice of Motions

***5. Motion from Councillor Des Guckian:***

That the dangerous situation along the high and narrow Mullagh to Derrybrack road L7464-0 be lessened by the erection of steel crash barriers on both sides and the erection of signage

to indicate the presence of the junction with the road L7466-0.

**6. Motion from Councillor Des Guckian:**

That the Council, again, take steps to tackle the growing threat of a rat infestation along a drain passing through Cloonshebane which comes from near Hartley Business Park, on the edge of Carrick-on-Shannon, to near Hartley Shannon Bridge. There is now a major threat to public health in this area.

**7. Motion from Councillor Finola Armstrong McGuire:**

I ask when the footpaths at the Leitir Gheal area of Carrick will be attended to. They are in need of attention as are footpaths at some house entries on Summerhill. Works done some months ago left footpaths at houses much worse than they had been.

**8. Motion from Councillor Finola Armstrong McGuire:**

The closure of the bottle bank at Priests Lane should not have occurred without the new location being made available. Can this be done ASAP, and can we be assured that in future if relocation is being done the new location is well publicised prior to closure of the old.

**9. Motion from Councillor Sean McGowan:**

I seek the support of members in calling on Iarnrod Eireann to engage with Roscommon County Council and the Cortober Residents with a view to finding a solution to the ongoing problem of providing a much-needed car-park at Carrick on Shannon Railway station.

**10. Motion from Councillor Sean McGowan:**

I ask District Engineer, Darragh O'Boyle, what is the up to date position with regard to repairs being carried out on the damaged parapet wall on the bridge over the Rynn River on the Tooman- Mohill road at Tooman.

**11. Motion from Councillor Paddy Farrell:**

I call on the District Engineer, Darragh O'Boyle, to investigate the dangerous junction coming off the L-3413-0 down by the hospital on to the L3408-0 Castlecara Road as visibility on the right is very restricted.

**12. Motion from Councillor Paddy Farrell:**

I request that Leitrim County Council cleans the drains and rivers as soon possible around Lough Rinn where the new footpaths are been installed.

**13. Motion from Councillor Thomas Mulligan**

Due to the inadequate funding for the cleaning and maintenance of the “Rinn and Blackwater “and the “Eslin Headford” rivers, I am calling on Deputy Patrick O’Donovan, Minister for State at the Dept of Public Expenditure to make provision for cleaning/maintenance works at three locations on the Rinn and Blackwater drainage system (ie Mohill, Creenagh and Tooman) and in the townland of Killamaun on the Eslin Headford river.

**14. Motion from Councillor Thomas Mulligan**

I ask the District Engineer to rectify a flooding problem on the R201 at Crowe’s Sawmill which is causing a residence to be flooded during heavy rainfall.
