Notice of Motions

4. Motion from Councillor Felim Gurn:

The bridge on the bog road L4141 has been hit or has fallen into disrepair. The walls of the bridge need urgent attention.

5. Motion from Councillor Felim Gurn:

With the announcement that the design of the SLNCR will be undertaken by Leitrim County Council liaising with Sligo County Council there is great opportunity for them to work together on future projects in tourism. One potential project for them is the De Cuéllar trail of the Spanish Armada that links Sligo from Streedagh Beach out to Glencar and can increase footfall into the Manorhamilton Municipal Area.

6. Motion from Councillor Frank Dolan:

I propose that this Municipal District write to Bank of Ireland asking them to consider at least an ATM service in the town of Manorhamilton.

7. Motion from Councillor Frank Dolan:

I again want to raise the issue of no public lighting from the bridge on the Sligo road (N16) to the filling station in Manorhamilton.

8. Motion from Councillor Justin Warnock:

The delivery by Vodafone of high-speed broadband to the Askill Community Centre was greatly welcomed but unfortunately it has had a negative impact on the service to the local Vodafone mobile phone customers, so I ask that Leitrim County Council engage immediately with the provider to have this problem corrected.

9. Motion from Councillor Padraig Fallon:

I propose that this Municipal District engage with Bank of Ireland, Allied Irish Bank and Manorhamilton Credit Union so as to seek the retention of an ATM, on the street in Manorhamilton. Every effort must be made to ensure an ATM is retained.

10. Motion from Councillor Padraig Fallon:

I propose to ask what is the current situation regarding works at Aughaloghy Graveyard.

11. Motion from Councillor Sean McDermott:

Can I ask if the wooden fence at Gleann Aoibhinn Council Housing Estate, Glenfarne be replaced, it is in very bad condition.

12. Motion from Councillor Sean McDermott:

I have been asked to raise the issue of when council houses are made available for renting that applicants from the local area be given first consideration.

13. Motion from Councillor Mary Bohan

I propose that repairs be carried out on the road leading to Corry Strand off the

Drumkeeran/Dowra road.

14. *Motion from Councillor Mary Bohan*

When is it expected that Leitrim County Council will take in charge the Acres Estate in Dromahair.

15. *Motion from Councillor Justin Warnock*

I ask the Area Engineer Sean Rynn to seek funding to have works carried out to the parapet walls which are in a dangerous condition at the Aghavohill Bridge on the R281.
