### AGENDA

1. Adoption of Minutes (Pages 1 - 10)
2. Meeting Correspondence (Pages 11 - 12)
  - Correspondence from Leitrim County Council to OPW in reference to OPW properties

### Notice of Motions

#### ***3. Motion from Councillor Felim Gurn:***

Can the council look at putting in safe cycle lanes in around the town of Manorhamilton before the SLNCR Greenway is delivered?

#### ***4. Motion from Councillor Felim Gurn:***

Can work on the brae area of the public realm be completed before the schools reopen in September 2021? Once schools reopen traffic from school buses, vehicle and pedestrian traffic will cause significant issues if the work is not completed by this time by the contractor.

**5. Motion from Councillor Padraig Fallon:**

What if any bins and/or portaloos will be available and placed in North Leitrim as per the recent Government announcement of funds for same of €50,000?

**6. Motion from Councillor Padraig Fallon:**

How many locations in this Municipal District are impacted due to Community Employment workers no longer being able to maintain and cut grass on public sites, along our roads for example?

**7. Motion from Councillor Sean McDermott:**

Can improvements be made to the pier at Glenade Lake where it is very difficult to launch a boat when the water levels are low?

**8. Motion from Councillor Sean McDermott:**

Can parking facilities be extended for the residents in the housing estate at MacNear Crescent, Glenfarne?

**9. Motion from Councillor Justin Warnock:**

Can the Area Engineer for the Manorhamilton Municipal District seek funding to widen the road, extend the footpath, provide lighting and ancillary works necessary along the R281 to the main entrance at the Eco Park at Kinlough?

**10. Motion from Councillor Justin Warnock:**

MacClancy's Castle on Lough Melvin, may be just a ruin but historically it played a pivotal role locally and internationally. Captain Francisco de Cuellar from one of the ill-fated ships of the Spanish Armada was shipwrecked near Streedagh Beach in Grange in 1588 and sought refuge in MacClancy's Castle.

As it is an integral part of the De Cuellar Trail, I ask Leitrim County Council to start the conversation with local landowners about access to the foreshore to enhance the experience for the Irish and Spanish tourist.

**11. Motion from Councillor Mary Bohan**

When is it expected that road repairs will be completed in the area effected by the Dawn of Hope landslide? I understand that monies are available for this purpose.

**12. Motion from Councillor Mary Bohan**

What progress has been made in relation to the provision of CCTV at recycling centres and other areas?
