AGENDA

1. Adoption of Minutes (Pages 1 - 8)
2. Meeting Correspondence

Notice of Motions

3. *Motion from Councillor Brendan Barry:*

I request that Leitrim County Council to erect a fence or similar safety barrier along the dangerous sections of the river walk between the Hillyroad and St. Patrick's National School, Drumshanbo. In several places, the verge between the river and path is very narrow. For much of the school year there is a very strong flow of water gushing down the river and if someone were to fall in they could be swept away.

4. Motion from Councillor Brendan Barry:

I request that Ballinamore Municipal District call on Bank of Ireland and the Minister for Finance not to shut branches of the bank, on behalf of the people of Ireland, who are the largest shareholders in Bank of Ireland and to use that influence to halt the closing of our local branches. It cost €4.7 billion to bail out the Bank and they can't be let abandon ship when so many businesses and towns need them most to try and recover from closures and losses due to the Pandemic restrictions.

5. Motion from Councillor Caillian Ellis:

I propose that Leitrim County Council give an update on the progress it has made in relation to the taking in charge of the Dun Na Bo Estate, Ballinamore.

6. Motion from Councillor Caillian Ellis:

I propose that the Ballinamore Municipal District write to the Minister for Justice and the Garda Commissioner seeking to have a full time Garda presence in the Garda Stations in both Ballinamore and Drumshanbo, Co. Leitrim.

7. Motion from Councillor Enda McGloin:

I ask Leitrim County Council to consider erecting traditional street signs in Drumshanbo. Street Signs were erected previously in the early 1980's around the town many of which have disappeared since.

8. Motion from Councillor Enda McGloin:

I ask Leitrim County Council to consider clean up works and renewal at Mahanagh Amenity Area at the Sluice Gates, Drumshanbo. This is an area of great potential for anglers and walkers so I ask that consideration be also given for perhaps a CLAR funding application.

9. Motion from Councillor Gerry Dolan:

I call on Leitrim County Council to have sections of the drain piped along Road Number L-42971-0 at Cortober, Ballinaglera, to allow for meeting cars to pass without ending up in the drain.

10. Motion from Councillor Gerry Dolan:

I call on Leitrim County Council to have lay-by's for walkers erected on road L7321-0 at Aughlin, as the road is just the width of a car and makes it impossible for walkers or cyclists to stand in to allow cars past them.

11. Motion from Councillor Ita Reynolds Flynn:

I request that Leitrim County Council make contact with Cavan and Longford County Council's with regard to a joint venture in marking the point of a unique geographical setting where the three provinces meet at Tycuster (Cavan/Ulster), at Fyhora (Leinster/Longford) and at Gulladoo (Leitrim/Connaught). This is a unique opportunity to create a tourist gem for hill walkers etc. to provide this tourist attraction across the three counties and provinces.

12. Motion from Councillor Ita Reynolds Flynn

I request the roads in the townlands of Corrine, Camber, Bundarragh and Leaganomer be repaired. There are many potholes and the surface is in a dangerous condition.

13. Motion from Councillor Paddy O'Rourke:

I ask that Leitrim County Council investigate the possibility of developing a walkway at Corrawalleen, along the L55241 which would lend itself very well to such an amenity. In recent years this has become a very popular route for walkers but requires a structure put on it in order to make it safer.

14. Motion from Councillor Paddy O'Rourke:

I ask that Leitrim County Council when is the cleaning of roadside signage scheduled to be carried out and also has any consideration been given to the hiring of a contractor to carry out this work. I refer in particular to the signs along the R201 as it proceeds from Mohill to where it exits the county east of Carrigallen.
