AGENDA

1. Adoption of Minutes (Pages 1 - 10)
2. Meeting Correspondence (Pages 11 - 24)

Notice of Motions

3. Motion from Councillor Enda McGloin:

Can I ask Leitrim County Council for a report regarding the current status of Casual Trading Bye Laws in the Drumshanbo area, to detail who hold permits and the locations they apply to. I also ask if the Council will take enforcement proceedings against illegal traders using public car parks.

4. Motion from Councillor Enda McGloin:

I ask Leitrim County Council to provide a tarmac overlay on the lay-by at Blackrock, Drumshanbo, opposite the Canal Blueway walk bridge (named as The Orchard). This will help enhance the area which is on a major entrance point from North Leitrim to the town.

5. Motion from Councillor Paddy O'Rourke:

I ask that Leitrim County Council carry out the necessary repairs to Road NO L15531-0. This road has suffered from poor drainage and substantial construction traffic which was very necessary to facilitate the repair of bridges. The road now experiences increased traffic, some of which is associated with the outdoor recreation facilities in the area.

6. Motion from Councillor Paddy O'Rourke:

Can I ask that following, the meeting between officials from Longford, Leitrim and Cavan County Councils regarding the three counties Greenway that took place some time ago, what plans or progress have we made here in Leitrim regarding the proposed signage towards the meeting of the three Provinces at Gulladoo, Carrigallen?

7. Motion from Councillor Brendan Barry:

I request that Leitrim County Council carry out resurfacing works on the L15061 from Lissgillock L1511 to Kinkeen L1506.

8. Motion from Councillor Brendan Barry:

I request that Ballinamore Municipal District call for emergency investment in mental health services. Traffic to the HSE mental health website increased by 490% between March and July 2020. By August last year Jigsaw had already experienced a 50% increase in demand for its service. There was an 18 week waiting time for an appointment with JIGSAW in some areas in 2020. COVID-19 has adversely affected the mental well-being of many people in Ireland and significant investment in mental health services and supports is needed to provide the capacity to cope with the additional strain on services now and into the future.

9. Motion from Councillor Caillian Ellis:

I propose that Leitrim County Council resurface the L1567, the Cornageeha side of Keeldra Cross.

10. Motion from Councillor Caillian Ellis:

I propose that Leitrim County Council complete all works at St. Caillian's View, Fenagh as soon as possible.

11. Motion from Councillor Gerry Dolan:

I call on Leitrim County Council to erect a pedestrian crossing from the car park and the Church Gate at St. Patrick's Church, Drumshanbo.

12. Motion from Councillor Gerry Dolan:

I call on Leitrim County Council to give an update on the progress of the LIS Scheme's in the county and especially in the Ballinamore Electoral Area.

13. Motion from Councillor Ita Reynolds Flynn:

Can I request an update on current library services with an approximate timeframe as to when the full library services may be resuming in the county.

14. Motion from Councillor Ita Reynolds Flynn:

I ask Leitrim County Council if there are any proposals to construct a footpath in the Park Road/Swanlinbar Road in Ballinamore. The road is very busy with traffic and pedestrians travelling to the school and the football pitch.
