3. To approve the proposed Tidy Town's Allocation under the General Municipal Allocation 2021
4. To approve allocations under the Arts Festival Support Scheme, 2021
5. To agree a date, time and location for the Annual Meeting of Ballinamore Municipal District

6. Meeting Correspondence (Pages 13 - 22)

**Notice of Motions**

**7. Motion from Councillor Caillian Ellis:**

I propose that Ballinamore Municipal District write to the Minister for Agriculture, Charlie McConalogue to take action so that farmers can buy dosing mineral for their animals in the local Co-Op's and not only in Veterinary Surgeries.

**8. Motion from Councillor Caillian Ellis:**

I propose that Leitrim County Council start putting in place public lighting from Ardrum to Edentinny, Ballinamore as soon as possible.

**9. Motion from Councillor Enda McGloin:**

I call on Leitrim County Council to consider upgrading the tennis courts at the Acres Amenity, Drumshanbo to include lighting, surface upgrades and nets etc. I ask the Executive to examine any funding potential to carry out these works, which would add greatly to local sport facilities in the area.

**10. Motion from Councillor Enda McGloin:**

The completion and taking in charge of the Cnoc an Luir Estate on the Carrick-on-Shannon Road, Drumshanbo in recent times has presented issues around the speed of traffic in the estate, which includes over 40 houses and a lot of young children playing around the estate. I call on Leitrim County Council to consider ramps at a few locations, in an effort to reduce the speed of vehicles and reduce the risk of an accident.

**11. Motion from Councillor Paddy O'Rourke:**

I ask that Leitrim County Council consider putting in place a walkway along the R203 in the town land of Drumbreanlis to provide a safe link between the Gulladoo Road and Errew Roads. There is sufficient space alongside the road and this link would join two minor roads, one leading to where the 3 Provinces meet and the other back towards St. Patrick's Well and the Ancient Mass Pass.

**12. Motion from Councillor Paddy O'Rourke:**

I ask that Leitrim County Council carry out the necessary repairs to the early section of the Beaghmore Road L1588-2 just above Glan Cross. Excellent work has been carried out further along this road but there remains a section closer to Glan Cross which urgently needs attention and is quite dangerous to unsuspecting motorists.

**13. Motion from Councillor Ita Reynolds Flynn:**

Can I have an update on the restructuring of footpaths in Ballinamore town including the footpath at the Canal adjacent to the John Joe McGirl Memorial.

**14. Motion from Councillor Ita Reynolds Flynn**

Are there any plans to install electric car chargers in Ballinamore or other towns in the county?.

**15. Motion from Councillor Brendan Barry:**

I request that Leitrim County Council carry out resurfacing works on a badly damaged section of road on the L8299 in the townland of Tullyveacan, Ballinaglera to include the widening of the road on the corner opposite a house with an Eircode of N41TF98 and to carry out drainage works opposite the lane to a house with an Eircode of N41 DP99.

**16. Motion from Councillor Brendan Barry:**

I ask Leitrim County Council what specific parts of the proposed system for the Zero Discharge Pilot Scheme are not tried and tested already and need to be studied to see if it is a workable solution for sites which fail a T-Test.

**17. Motion from Councillor Gerry Dolan:**

I call on Leitrim County Council to have repair works carried out on the roads L-7306-0 at Corloughlin and carry on the repairs onto roads L-73141-0 and L-7315-0 as far as it meets the main road above Aghacashel Post Office.

**18. Motion from Councillor Gerry Dolan:**

I call on Leitrim County Council to give an update on letters sent to Bank of Ireland regarding the closure of branches in Drumshanbo and the rest of the county.
