Notice of Motions

3. Motion from Councillor Brendan Barry:

I request that Ballinamore Municipal District call on Ministers Charlie McConalogue and Eamon Ryan to provide state funding and Leitrim County Council to provide assistance to Landowners with roadside trees affected by Ash dieback. Sadly many of these wonderful trees will need to be removed for health and safety reasons. Many roadside Ash trees are now affected throughout Co.Leitrim and it is thought that 98% of Ash trees in the country will be dead or compromised significantly in the next 7 to 10 years.If left to decay these

trees will become very dangerous to do anything with.

4. Motion from Councillor Brendan Barry:

I request that Ballinamore Municipal District in preparation for the winter, place salt on steep hills and junctions on roads not included in the winter maintenance routes. Roads such as the Drumshanbo to Ballinamore road via Aughnasheelan , Clarkes Hill Kilclare and the Hill beside Charltons Cross.

5. Motion from Councillor Caillian Ellis:

7. Motion from Councillor Enda McGloin:

I ask that Ballinamore Municipal District Council again consider the installation of a raised pedestrian crossing along the Carrick Road, Drumshanbo at or in and around Mc Cormack's garage. The speed of traffic is excessive and requires some initiative to deal with this problem and the many people walking who need to cross this busy road.

8. Motion from Councillor Enda McGloin:

Can I ask I what the current position is with available local authority housing in the Drumshanbo town area. Are there are any vacant units awaiting upgrades or refurbishment and finally how many are currently on the waiting list with Drumshanbo as their first choice area?

9. Motion from Councillor Paddy O'Rourke:

I ask that Ballinamore Municipal District carry out immediate repairs to local road L5489-0 commencing at Drumlea Cemetery at the Bring Bank Centre inwards to the town lands of Aughalough and Arderry towards Kinkeen.

10. Motion from Councillor Paddy O'Rourke:

I ask that Ballinamore Municipal District provide an update on what progress has been made regarding the project at the 3 Provinces site, i.e. where Connaught, Ulster and Leinster meet just a few kilometres east of Carrigallen. This is a project well worth progressing as regards Tourism and we have to be at the ready when funding comes available.

11. Motion from Councillor Ita Reynolds Flynn:

Can Ballinamore Municipal District request that the embankments at Keeldra Lake, Cloone be improved.

12. Motion from Councillor Ita Reynolds Flynn:

Can Ballinamore Municipal District members request an update on the status of the Courthouse in Ballinamore and perhaps a meeting between Director of Service and the Courthouse Committee can be arranged.

13. Motion from Councillor Gerry Dolan:

I call on Ballinamore Municipal District to give me a reply/update regarding my motion last month requesting a Pedestrian Crossing at Main Street, Drumshanbo.

14. Motion from Councillor Gerry Dolan:

I call on the Minister of Agriculture, Food and the Marine to have it mandatory that all forestry and afforestations have deer fencing erected on all sites. It is required in order to help control the spread of wild deer to protect landowners and the public.
