AGENDA

1. Adoption of Minutes (Pages 1 - 34)
2. Meeting Correspondence (Pages 35 - 36)

Notice of Motions

3. Motion from Councillor Caillian Ellis:

I propose that Ballinamore Municipal District erect signage at the Aughnasheelin Road in Ballinamore indicating the scenic mountain drive across Sliabh An Iarainn to Ballinagleara.

4. Motion from Councillor Caillian Ellis:

I propose that Ballinamore Municipal District repair the depression in Local Road No L3455

just passed Fenagh GAA pitch.

5. Motion from Councillor Enda McGloin:

I call on Ballinamore Municipal District to investigate the provision of street lighting along the 'Furnace Hill' at Carricknabrack, Drumshanbo going from the Vocational School to the bottom of the hill on the Blackrock side. A lot of people use that route for walking late in the evening. With vehicular traffic also using this short stretch, with limited visibility, there are concerns that pedestrians are vulnerable.

6. Motion from Councillor Enda McGloin:

I call on Ballinamore Municipal District to consider cleaning the storm water drains along the L3298-0 (Aghacashel to Ballinaglera) just past the 'booster station' where the road is being damaged because of excess water lying on the surface.

7. Motion from Councillor Paddy O'Rourke:

I ask that the local road serving 7 households and a number of land holdings in the town land of Lisculfea, Ballinamore P.O. be declared a public road.

This proposal has the support of all householders and property owners adjoining it and is used extensively by members of the public to access the fishing area at Callohill Lake (known locally as the Burrow Lake) which supports the local tourism product and is used for competition purposes.

8. Motion from Councillor Paddy O'Rourke:

I ask that Ballinamore Municipal District take the necessary steps to make safe the short stretch of road along the R201 in the town land of Drumshanbo North which has a very acute depression on the east bound carriageway, thus posing a very dangerous situation to an unsuspecting motorist.

9. Motion from Councillor Ita Reynolds Flynn

I request that Ballinamore Municipal District contact the Court Service to establish the current status of the Courthouse in Ballinamore and to clarify if any proposals are in progress regarding the future use of the building.

10. Motion from Councillor Ita Reynolds Flynn:

I request Ballinamore Municipal District to contact the Local Link Service to establish if a designated phone number can be provided to assist Public Representatives to respond to queries received regarding the operation of the Local Link Service in Leitrim.

11. Motion from Councillor Brendan Barry:

I request that Ballinamore Municipal District write to Ministers Eamon Ryan and Ossian Smyth and ask them when will the provision of financial support to persons with Lifelong/Longterm medical incontinence be introduced under the Household Waste charging arrangements. It has been a Department of Communications, Climate Action and Environment proposal since the Summer of 2016 in advance of pay by weight for the removal of household waste being introduced.

12. Motion from Councillor Brendan Barry:

I request an update on the housing estates that Leitrim County Council expects to take in charge in 2022 and the time period involved.

13. Motion from Councillor Gerry Dolan:

I call on Ballinamore Municipal District to have repair works carried out on the Laragan Road, L7305, in Drumshanbo from where previous resurfacing works took place to the end of the road.
