AGENDA

1. Adoption of Minutes (Pages 1 - 8)
2. Meeting Correspondence (Pages 9 - 12)

Notice of Motions

3. Motion from Councillor Mary Bohan:

I ask that Leitrim County Council urgently expedite the taking in charge of the Acres housing estate in Dromahair.

4. Motion from Councillor Mary Bohan

I ask that Leitrim County Council call on the Minister for Communications to explain to the people in Drumkeeran Village why high speed broadband has not been made available to them, despite the streets being dug up and new cables installed and a promise made to provide this service, no progress has been made.

5. Motion from Councillor Padraig Fallon:

Further to a previous motion, questions & correspondence I ask when public transport users in Drumkeeran can expect that the long sought, and awaited, bus shelters will be installed.

6. Motion from Councillor Padraig Fallon:

I ask when correspondence will issue to Local Authority Tenants in relation to the tenant purchase scheme, informing tenants of eligibility and if Councillors can be provided with a list of excluded properties in this Municipal District and indeed if a review of properties excluded can be undertaken.

7. Motion from Councillor Sean McDermott:

I have been asked to raise the issue of the lack of speed limit signage on the N16 National Primary Road. The Sligo section of the N16 has more signage than the Leitrim section to indicate the speed limit of 80km. When drivers enter a National Primary Road, they generally believe the speed limit is 100km, more signage indicating the speed limit permitted to travel at would solve this problem.

8. Motion from Councillor Sean McDermott:

I have been asked once again to raise the issue of traffic calming measures in the village of Kiltyclogher, particularly in the vicinity of the National School and St Patrick's Church, I ask the area office to review same.

9. Motion from Councillor Felim Gurn:

I believe there is a need for a car park to be provided by Coillte and Leitrim County Council in partnership at Milltown Woods similar to the one at Fowley falls in Rossinver. I ask the Council to explore what may be possible in this regard.

10. Motion from Councillor Felim Gurn:

The recent flooding of the Bonet River has led to damage on the Cloonaquinn road and at Cornastalk to the bridge where the road is sinking and is in urgent need of repair. I ask the area office to assess the damage and what can be done.

11. Motion from Councillor Frank Dolan:

A number of residents have raised the issue of the blind and dangerous junction of the Carrickfad road and the R278 I ask the engineers to have a look at this to see if a solution can be found.

12. Motion from Councillor Frank Dolan:

I ask that we contact the HSE in relation to restoring morgue facilities in Manorhamilton this service is badly missed in the general area of Manorhamilton.

13. Motion from Councillor Justin Warnock:

I ask Leitrim County Council to provide toilet and shower facilities at the new car park at Tullaghan's public access to the sea.

14. Motion from Councillor Justin Warnock

As the population of Kinlough continues to grow so does the footfall in our town centre which has to be welcomed, but the lack of public parking is becoming a serious issue for local businesses. So therefore, I ask that the Roads Department to investigate what can be done to alleviate this problem before any public realm works are undertaken in Kinlough.
