AGENDA

1. Adoption of Minutes (Pages 1 - 10)
2. Meeting Correspondence (Pages 11 - 14)

Notice of Motions

3. Motion from Councillor Pdraig Fallon:

I ask what if any plans there are to replace, recruit additional outdoor staff to the roads section in this municipal. Furthermore, I ask if staff laid off will be replaced or possibly be taken back on.

4. Motion from Councillor Pdraig Fallon:

I ask what if any progress has been made further to my previous two motions seeking a cattle grid at Aughavoghil Kinlough.

5. Motion from Councillor Felim Gurn:

In light of significant electricity costs being with us for the coming years, I ask is it possible to explore new funding streams for our towns and villages which would enable a switch to solar lighting for car parks, street lights, housing estates and all sporting facilities in order to enable them to be as energy efficient as they can be.

6. Motion from Councillor Felim Gurn:

In order to improve our carbon footprint and reach emissions targets, I ask that Rural Link look at towns and villages for the roll out of the Rural Link Bus service to support the night time economy where taxi services are no longer available in this municipal area. For example, Manorhamilton, Dromahair, Kinlough, Drumkeeran, Kiltyclogher, Glenfarne, Glencar, Glenade, Mullies and Glenboy.

It is crucial that a service be provided on a Friday and Saturday night to make sure towns and villages are easily accessible for people to come out and support pubs, restaurants, and retailers, which keeps these businesses open in this hard economic downturn.

7. Motion from Councillor Sean McDermott:

I ask that the road known as "The Boreen" in Glenaniff which links on to the Barr Road in Glenaniff, be considered for safety signage so as to make users aware that this road is not suitable for heavy vehicles.

8. Motion from Councillor Sean McDermott:

I have been asked to raise the issue of the Regional Road R282 between Manorhamilton and Rossinver where cars and larger vehicles are being damaged by overgrown hedges. I ask the Area Engineer to review this.

9. Motion from Councillor Justin Warnock:

I ask Leitrim County Council if they own the pier at Derrynaseer, Askill on the northern shore of Lough Melvin.

10. Motion from Councillor Justin Warnock:

I ask Leitrim County Council to consider using a compulsory purchase order (CPO) of land/road on the Arroo Trail for the common good.

11. Motion from Councillor Frank Dolan:

Some concerns have been expressed to me about the condition/appearance of the Council

tip and its surrounds at Killcoon in Dromahaire. I ask that this be looked at to see if it can be improved.

12. Motion from Councillor Frank Dolan:

Last June we all received a letter from the residents of Drumlease estate in relation to the condition of the footpaths there, along with some other issues. I ask if any progress has been made re the footpaths.

13. Motion from Councillor Mary Bohan

I propose that Leitrim County Council seek government funding as a matter of urgency for drainage of rivers and main drains following the Shass mountain landslide. Some houses and lands are in danger of flooding as a result.

14. Motion from Councillor Mary Bohan

I ask when will the works be carried out at the amenity area including public lighting on the R280, Carrick Rd, Drumkeeran.
