### AGENDA

1. Adoption of minutes of 17th October 2022 (Pages 1 - 18)

3. Consider date for the January meeting of Carrick-on-Shannon Municipal District
4. To receive update on the Carrick on Shannon and Leitrim Village Flood Relief Schemes (report to follow).

### Notice of Motions

#### ***5. Motion from Councillor Des Guckian:***

That Council engineers and officials be asked to explain why high edges have been left, in

places, along newly-surfaced roads. This can be a danger to an unsuspecting driver who may put a wheel just over the edge and end up with a damaged floor in the car, or worse. This is particularly true of the L1622-0 from Clooncarren to Annaveagh Bridge (near Tooman).

**6. Motion from Councillor Des Guckian:**

That the Council engineers be asked to complete the surfacing of the L1601 from Rooskey, through Dromod, to Faulties. There are parts of this where the present road surface is badly worn and rutted and, therefore, dangerous.

**7. Motion from Councillor Sean McGowan:**

I seek the support of members in again calling on the HSE Manager for Donegal Sligo & Leitrim to attend the December meeting of Carrick on Shannon Municipal District to explain the rationale about the withdrawal of day care services in Mohill Community Hospital & how the NowDoc service operates in Leitrim.

**8. Motion from Councillor Sean McGowan:**

I seek the support of the members in calling on Bus Eireann School Transport Section and the Department of Education to look at providing a school transport service within the estates and urban areas of Carrick on Shannon that will serve Scoil Mhuire national school.

**9. Motion from Councillor Enda Stenson:**

I ask the Senior Engineer, Mr Darragh O'Boyle, to please examine a stretch of public road L-7442-0 at Dereen and decide if this road is fit for all traffic. In my opinion, and in the opinion of local people, this road should be realigned as it's no longer safe to travel on.

**10. Motion from Councillor Paddy Farrell:**

I call on Leitrim County Council to provide more clear markings and signage on the R280-5 at the turn for Ballinamore, as this is a very dangerous junction.

**11. Motion from Councillor Paddy Farrell:**

I call on district engineer Darragh O'Boyle to seek funding to carry out a full Restoration Improvement Grant scheme on the L3410 from Gowel to Kilnagross next year, when water works are complete.

**12. Motion from Councillor Thomas Mulligan**

I ask the area engineer to meet with parents at Farnaght, Gortlettragh cross, beside the old Post Office, to hear their concerns with regard to the safety of their children while waiting to board school buses.

**13. Motion from Councillor Thomas Mulligan**

I ask that local road number L34702 in Culmore Annaduff be considered for surface dressing / strengthening in 2023.
