### Notice of Motions

#### ***5. Motion from Councillor Pdraig Fallon:***

I ask if there are any plans to remove dangerous trees from Millbank Glen, Dromahair and Sheena,

Drumkeeran.

**6. Motion from Councillor Pdraig Fallon:**

I propose the installation, addition of plastic bottle recycling banks, containers, at bring centres throughout this Municipal.

**7. Motion from Councillor Frank Dolan:**

On the N16 at Diffreen in Glencar where the cycleway is separated from the road by loose stone, some vehicles are traveling in on the stones and spraying stone onto both the road and the cycleway .This could prove to be very dangerous and I ask that it be looked at again.

**8. Motion from Councillor Frank Dolan:**

I propose that Leitrim County Council use local media to advise people that the hedge cutting season is now open and also to advertise the grant that is available.

**9. Motion from Councillor Justin Warnock:**

I ask that Leitrim County Council study the new report which has just been published re: the social, economic and spatial plan for Kinlough, Tullaghan, Askill and Glenade and use recommendations from it when preparing our new Local Economic and Community Plan.

**10. Motion from Councillor Justin Warnock:**

I ask has Leitrim County Council been consulted and have they had any input in relation to places to eat or sites to visit on the "EuroVelo" - Atlantic Coast Cycle Route which forms part of the 11,000km trek from Portugal to Northern Norway.

**11. Motion from Councillor Felim Gurn:**

I ask this Municipal District to write to the Housing Minister Darragh O'Brian to bring in housing regulations for standard size bedrooms in 3 bedroom and 4 bedroom houses. In the past builders under a system of no regulations built houses with 2 bedrooms and a box room which was of no use to any modern family looking for a 3 or 4 bedroom house. Where there are regulations in place with regard to apartment sizes and bedrooms, this needs to be implemented for housing in future housing policy .

**12. Motion from Councillor Felim Gurn:**

I have asked several times for a traffic management plan for Manorhamilton before the public realm work commences, residents of Mc Dermott Terrace want a one way system implemented. I ask the area office to give an update on same.

**13. Motion from Councillor Sean McDermott:**

I have been asked to raise the issue of the playground in Glenfarne Village that is in need of

upgrading. There are three pieces of equipment that are out of use at the moment, parts of the playground need drainage and part of this playground is on a slope. Can this playground be prioritized for an upgrade?.

**14. Motion from Councillor Sean McDermott:**

I want to raise the issue of a wall in front of the old Corracloona National School, Kiltyclogher. The wall is on the edge of the R281 road and has become unstable and is in danger of falling onto the roadway, which has worsened due to timber lorries passing close to this wall. I ask the area office to review same.

**15. Motion from Councillor Mary Bohan**

**I ask that the Council reconsider its decision regarding the removal of the street bins in Drumkeeran especially in the areas close to Lough Allen College.**

**16. Motion from Councillor Mary Bohan**

I ask that repairs be carried out on road number LT 42351 as soon as possible.
