Notice of Motions

5. Motion from Councillor Mary Bohan:

I propose that Leitrim County Council examine the possibility of providing a plot of land in Dromahair for the provision of a Community Garden/Allotments.

6. Motion from Councillor Mary Bohan

I propose that Leitrim County Council support in every possible way the proposal by the Killenumery Mens Shed Group to provide a Coilte walkway at the Five Crossroads. The proposal is being prepared and will be submitted under the Development Strand of the Outdoor Recreation Infrastructure Scheme.

7. Motion from Councillor Padraig Fallon:

I propose that works be carried out to improve sight lines at the Corraweehil junction on the Coolegreane road, there is extremely limited view here, possibly a convex mirror or otherwise removal of a corner.

8. Motion from Councillor Padraig Fallon:

I ask housing what is the position with regard to painting the exterior of Local Authority housing. Is this role carried out by Council staff?

9. Motion from Councillor Sean McDermott:

I ask that the old unsafe fence be replaced on the R282 road that runs alongside Lough Melvin in Rossinver on the road to Garrison. I have raised this issue in the past.

10. Motion from Councillor Sean McDermott:

I ask that the Area Engineer review a dangerous section of the N16 at Kathleen Mc Loughlin's house in the townland of Moneenshinnagh, Manorhamilton where there are two badly eroded patches of tarmac on this roadway.

11. Motion from Councillor Felim Gurn:

I ask the Area Engineer for an update on funding and legal issues in relation to the bridge walkway on Castle street in order to get it completed. Danger is mounting for pedestrians with traffic coming from all directions.

12. Motion from Councillor Felim Gurn:

I ask what is the potential for a river walk for Manorhamilton?

13. Motion from Councillor Frank Dolan:

The provision of a footpath on the bridge at Castle Street in Manorhamilton still remains to be a necessary piece of infrastructure for the town. The funding that was allocated for this project in the past was diverted to another project in the town at the time. I ask that this be revisited again.

14. *Motion from Councillor Frank Dolan:*

I ask Leitrim County Council if there has been any progress made in securing a low cost safety scheme for the junction of the Carrickfad road with the R278. Both the increase in volume and speed of traffic on the R278 has made this work a necessity.

15. *Motion from Councillor Justin Warnock:*

I recently received photos and a video from residents on the Loughside Road, Garrison, Co Fermanagh of raw sewage on the road from an unfinished development which ends up in Lough Melvin SAC as it is only metres away. Therefore, I ask Leitrim County Council to contact Fermanagh and Omagh District Council, Northern Ireland Water and the Department of Agriculture, Environment and Rural Affairs about this unacceptable situation.

16. *Motion from Councillor Justin Warnock:*

As the demand for 1, 2 and 3 bedroom Local Authority houses reaches unprecedented levels in Kinlough, I ask the Housing Department to accelerate the purchase of houses and the turnaround time of their own housing stock, also to mediate for extensions with landlords who have served notices to quit, before we end up with a homeless problem in this ever expanding new town.
