Notice of Motions

6. Motion from Councillor Frank Dolan:

The Killenummery Community Committee has expressed concerns about overhanging trees that are obscuring the view of motorists at the bridge adjacent to Killenummery Hall. I ask Leitrim County Council to examine this as it could lead to a serious traffic accident.

7. Motion from Councillor Frank Dolan:

I ask that Leitrim County Council carry out some grass and verge trimming on the lake road in Glencar as this road is now at its busiest.

8. Motion from Councillor Padraig Fallon:

I ask the Local Authority planning department if it can provide an update with regard to the taking in charge of the Windmill Park estate, Drumkeeran.

9. Motion from Councillor Padraig Fallon:

I ask if there are any plans to increase staffing levels, outdoor, skilled, trades, in the Housing section of Leitrim County Council.

10. Motion from Councillor Felim Gurn:

I ask are there enough staff to carry out repairs on council owned tenant housing? Frustrated tenants are ringing elected representatives to get repairs done and it is taking too long to get the works complete.

11. Motion from Councillor Felim Gurn:

With the increase in utility bills, group water schemes that have not been taken over by Irish water are going to face an uncertain future. The potential for arrears building up and the schemes being caught in limbo trying to provide water on a voluntary water scheme could see power supplies cut due to high ESB rates to power the schemes. I propose this Municipal District write to the Minister for Housing seeking clarity on how these group water schemes can be supported.

12. Motion from Councillor Sean McDermott:

I ask Leitrim County Council to engage with Tourism Officers in Leitrim, Cavan and Fermanagh regarding improvements to the tourism signage. This would see an increase in tourists coming to North Leitrim, West Cavan and South West Fermanagh. We have a lot of tourism strengths in our catchment area, but it's not highlighted enough.

13. Motion from Councillor Sean McDermott:

I ask is it possible that the Glenfarne River from Lough MacNea Upper to Glenfarne village be checked as the channel needs maintenance. This river benefited from cleaning in 2010, but now there are large amounts of plastic caught in branches and briars along its riverbank. Well done to everyone that was involved in the cleaning of the section of this river earlier this year from Glenfarne Village back towards Manorhamilton.

14. Motion from Councillor Justin Warnock:

As Ash dieback is so pronounced this year in the hedgerows along the regional, local and tertiary road network in this Municipal District and throughout Leitrim, I ask that we write to the Minister for Agriculture Charlie McConalogue TD to seek funding for the marking and removal of these dead trees before they become a potential hazard to all road users in the coming years.

15. Motion from Councillor Justin Warnock:

Following numerous motions and with the continued growth in the population of Kinlough and its hinterland, I again must highlight the urgent need for a primary care and a day care centre in Kinlough, so therefore I ask Leitrim County Council to write to the Minister for Health Stephen Donnelly TD and the Head of the HSE for Sligo, Leitrim and West Cavan, Damien McCallion to acquire a site and provide the facilities and staff necessary to deliver proper services for this community.

16. Motion from Councillor Mary Bohan:

I ask when will the Council carry out the proposed traffic calming measures at Lough Allen College, Drumkeeran?

17. Motion from Councillor Mary Bohan:

I propose that the Council contact the current owners of the Abbey Hotel in Dromahair to ascertain the future use of same.
