AGENDA

1. Adoption of Minutes (Pages 1 - 12)
2. Meeting Correspondence (Pages 13 - 24)

Notice of Motions

3. Motion from Councillor Justin Warnock:

I ask that Leitrim County Council designate the popular Barr Road 5km loop and the High Road 9km loop at Kinlough as walking routes and erect the appropriate signage necessary in the interest of road safety.

4. Motion from Councillor Justin Warnock:

I ask Leitrim County Council to add Kinlough to at least 5 road signs between the N4 at Drumsna and Drumshanbo, this will promote the R280 as a route to access the north of the county through some of the most beautiful landscapes Leitrim has to offer in our part of the Hidden Heartlands.

5. Motion from Councillor Felim Gurn:

Over the summer months, a bad accident was narrowly avoided at the Curley Bridge beside Mill Hill Lawns and Manorhamilton Mart. There is no pedestrian access and with heavy traffic of HGVs, tractors, buses & cars, pedestrians are in danger every day while walking along that bridge. The height of this bridge is too low and needs to be looked at as part of the SLNCR Greenway.

Students are back at school and works are ongoing at the Brae, the height of Whittakers Bridge is too low, there is a risk that students and pedestrians may fall into the river.

I ask the Area Office to examine both of these issues urgently.

6. Motion from Councillor Felim Gurn:

With the winter season upon us and more and more people using public transport, a bus shelter needs to be provided outside Our Lady's Hospital on the pedestrian path. I ask that discussions take place between the HSE and the Council to provide a quality bus shelter along with carrying out repairs of the wall outside Our Lady's Hospital at the bus stop.

7. Motion from Councillor Padraig Fallon:

I ask if there are any plans to remove any of the bollards recently installed in Manorhamilton, specifically at the library corner.

8. Motion from Councillor Padraig Fallon:

I ask that this Municipal District contact the Department of Social Protection & the three government party leaders asking that income thresholds are extended for the eligibility criteria for Rural Social Scheme.

9. Motion from Councillor Sean McDermott:

I ask if slight repairs can be made to the tarmacadam at the council playground in Kiltyclogher village to make it safe.

10. Motion from Councillor Sean McDermott:

I ask that Leitrim County Council and Coillte look into the possibility of tarring the section of road from Glenfarne boat quay at Lough MacNean back towards Kiltyclogher. This section of road has never been tarred.

11. Motion from Councillor Frank Dolan:

I ask would it be possible to put a flashing or digital sign on the R286/278 asking motorists to reduce speed while the works on the N16 in Sligo are in progress. At present this regional road has turned into a nightmare for everyone.

12. Motion from Councillor Frank Dolan:

I ask this Municipal District to bring to the attention of the Joint Policing Committee, the serious effect those doing donuts etc at certain locations on our roads are having on ordinary people's lives.

13. Motion from Councillor Mary Bohan:

I propose that the Council carry out repairs or provide replacement footpaths in the Sheena housing estates as soon as possible.

14. Motion from Councillor Mary Bohan:

I propose that Leitrim County Council call on Irish Water to replace the old water mains in Drumkeeran and any other areas where necessary as a matter of urgency.
