### AGENDA

1. Adoption of Minutes (Pages 1 - 8)
2. Meeting Correspondence (Pages 9 - 10)
3. General Municipal Allocation 2023 - Manorhamilton MD (Pages 11 - 14)

### Notice of Motions

#### **4. Motion from Councillor Felim Gurn:**

I ask that Leitrim County Council develop a Masterplan for Manorhamilton town particularly with the SLNCR greenway coming in 2027/28. The Masterplan should consider projects including the fair green at the castle, river walks, the courthouse museum, hotel, pods and apartment building accommodation in order to see the real benefits of the greenway.

We need to start working on this now to avail of funding streams.

**5. Motion from Councillor Felim Gurn:**

I ask Leitrim County Council what is the current vacancy rate in housing stock in the Manorhamilton Municipal District and what is the current turnaround of vacant houses been put back into use?

Is there a shortage in funding that needs to be addressed in our housing budget to alleviate the pressure of returning houses back into use, considering inflation and materials increases because we will not be building social houses for next few years.

**6. Motion from Councillor Padraig Fallon:**

I propose that storm drains in Sheena, Drumkeeran are examined, maintained, cleared and cleaned. There appears to be an issue with two in particular which are putting a number of homes at risk.

**7. Motion from Councillor Padraig Fallon:**

I propose that an examination of The L2126 and L2127 Mullies take place with a view to works being carried out.

**8. Motion from Councillor Sean McDermott:**

In light of the recent closure of the N16 road for roadworks between Manorhamilton and Glenfarne for a considerable length of time. Is it possible in the future when such works have to take place, can consideration be given to carrying out the works at night time as is done in some other other local authority areas.

**9. Motion from Councillor Sean McDermott:**

I have been made aware that Leitrim County Council Housing Department are notifying landlords of their intention to inspect private rented dwellings. I ask are similar inspections done on Council owned properties?

**10. Motion from Councillor Justin Warnock:**

I ask for a special allocation of money to be set aside in the roads budget for a pilot scheme for the Manorhamilton MD, for the emergency cutting of hedges on roads which hinder the delivery of public services due to issues of ownership of lands, absentee landlords or private forestry companies.

**11. Motion from Councillor Justin Warnock:**

As the pavements in Kinlough are not wide enough to facilitate the grant aided bus shelters, I ask that Leitrim County Council provide 2 slimline polycarbonate bus shelters in Kinlough, one on the main street and one at Melvin Fields.

**12. Motion from Councillor Mary Bohan:**

I ask what is the current position regarding the taking in charge of the remaining estates in Dromahair by Leitrim Country Council?

**13. Motion from Councillor Mary Bohan:**

I propose that the litter bins be reinstated at the amenity/ playground area in Drumkeeran and also on the roads leading to Lough Allen College from the village.

**14. Motion from Councillor Frank Dolan:**

I ask Leitrim County Council to have the link road around Corrigeencor lake included in the roads programme. This road is used by quite a number of people but has fallen into poor condition.

**15. Motion from Councillor Frank Dolan:**

I ask this Municipal District to contact Eir in relation to the poles that remain on the outside of the footpath right beside Drumlease NS. Those poles are a danger and a hazard for parents dropping off or collecting children at the school.
