- i. Question from Councillor Sean McDermott:  
At the JPC Meeting in March 2021, I raised the issue of the availability of a cell at the Garda Station in Manorhamilton. Is there any update?
- ii. Question from Councillor Sean McDermott:  
Is there a possibility in the coming months of an armed unit or armed detectives not being available for duty during the hours of 4am and 8am. As Leitrim is a border county, I believe it is important that these Officers are available during these times.
- iii. Question from Councillor Justin Warnock:  
I ask this Joint Policing Committee if a visit / factfinding trip for members could be arranged in the coming months to go to see Mountjoy prison.
- iv. Question from Councillor Justin Warnock  
Kinlough continues to see the fastest natural growth in population of any town or village in Leitrim, with 1200 people living in the village today.  
I ask the Chief Superintendent Aidan Glacken can he give this community an assurance that a normalisation of Garda services in our Garda station and policing in this area will be delivered in the coming months.
- v. Question from Councillor Finola Armstrong McGuire  
What measures have been taken in policing the speed and noise of “Boy Racers” on our roads at night. Particularly, I ask re the area of Cortober / Carrick and where we see evidence of speed and erratic driving evident on roads further from the town.
