AGENDA

1. Adoption of Minutes (Pages 1 - 8)
2. Meeting Correspondence (Pages 9 - 14)

Notice of Motions

3. Motion from Councillor Caillian Ellis:

I ask Ballinamore Municipal District what is the position in relation to having the footpath extended from the National School to the Speed Limit on the Mohill Road in Fenagh Village.

4. Motion from Councillor Caillian Ellis:

I ask Ballinamore Municipal District are there any results from the survey in relation to the

proposed one way system at Church Street, Ballinamore.

5. Motion from Councillor Enda McGloin:

I request that Ballinamore Municipal District call on the HSE to bring their Primary Care Building at Ballinaglera up to a presentable standard by getting the centre painted and ensure that it fits in with other buildings in the village.

6. Motion from Councillor Enda McGloin:

Can I ask if there is any update or correspondence from IFI (Inland Fisheries Board) in relation to the state of the amenity area at Eden/Lower Annagh, Dowra and if they will make any effort to bring the facility up to standard.

7. Motion from Councillor Brendan Barry:

I request that Ballinamore Municipal District improve sightlines for drivers at junction of Drumbullog Road and R210 in Drumcong. It is very difficult to see oncoming traffic while exiting onto the main road and improvements are necessary.

8. Motion from Councillor Brendan Barry:

I request that Ballinamore Municipal District provide a pedestrian crossing on the Hilly Road, Drumshanbo at Naomh Pdraig housing estate near the Enterprise Centre.

9. Motion from Councillor Paddy O'Rourke:

I ask that Ballinamore Municipal District include Road L-15348 in the townland of Corglass for drainage work & resurfacing. This link road carries a large volume of traffic particularly since there has been a number of new family homes constructed there. In the past it used to be subject to heavy goods traffic associated with an industry which has ceased in recent years. Also a number of adjoining land owners have indicated their co-operation in regard to drainage works which would impact their property.

10. Motion from Councillor Paddy O'Rourke:

In the absence of having the leading road from Golden Vale Marts, Carrigallen to the Cavan Boundary at Doogarry salted by the truck (which for the life of me I cannot understand given that the truck sometimes travels this way having exited Leitrim off the R199 at the Cavan Border) could we have deposits of salt provided along the road at the very many hilltops and bad bends which residents could apply to the road when necessary.
